Advice Letter No. 570

San Jose Water Company (U-168-W) (SJWC) hereby transmits for filing the following changes in tariff schedules applicable to its service area and which are attached hereto:

<u>Cal. P.U.C Sheet No.</u>	<u>Title of Sheet</u>	<u>Cancelling Cal. P.U.C. Sheet No.</u>
2148-W	Rule 14.1 (Continued)	1662-W
2149-W	Schedule 14.1 (Continued)	2135-W
2150-W	Table of Contents	2147-W
2151-W	Table of Contents (Continued)	2124-W

With this advice letter, SJWC requests authorization to correct a typographical error in Advice Letters 472A and 567 for Rule 14.1 and Schedule 14.1, respectively.

Background

SJWC filed Advice Letter 569 to activate Schedule 14.1 on October 15, 2021. During the review, Water Division was alerted to a typographical error in Rule 14.1 Section D.1.d.ii. It currently states:

“Justification for, and documentation and calculations in support of the Schedule, including but not limited to each item in B.1.d.i above.”

The referenced “B.1.d.i.” is incorrect and should be “D.1.d.i” instead. The same typographical error is also on Schedule 14.1.

SJWC is filing to correct this typographical error on both Schedule 14.1 and Rule 14.1.

Effective Date

SJWC requests that the updated tariff sheets become effective November 22, 2021.

Protests and Responses

Anyone may respond to or protest this advice letter. A response does not oppose the filing but presents information that may prove useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds may include the following:

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding;
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission).

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Tariff Unit, Water Division, 3rd floor
California Public Utilities Commission,
505 Van Ness Avenue
San Francisco, CA 94102
water_division@cpuc.ca.gov

On the same date the response or protest is submitted to the Water Division, the respondent or protestant shall send a copy of the protest by mail to us, addressed to:

Regulatory Affairs
San Jose Water Company
110 West Taylor Street
San Jose, CA 95110
Fax 408.279.7934
regulatoryaffairs@sjwater.com.

The advice letter process does not provide for any responses, protests or comments, except for the utility's reply, after the 20-day comment period. Public notice is not required.

SJWC has no pending advice letters before the Commission.

This filing will not cause the withdrawal of service, nor conflict with other schedules or rules.

Very truly yours,
