## **Re: Affiliate Transaction Notification**

Dear Directors Serizawa and Shia:

This letter is submitted to you in recognition of California Public Utilities Commission (“Commission”) Decision 11-10-034, Rule VIII.D, which requires any Class A Water Company, upon the creation of a new affiliate, to notify the Commission of its creation, as well as posting notice of this event on its web site. This letter provides notice to the Commission of a new affiliation of San Jose Water Company (U-168-W) with a certain company not previously affiliated with San Jose Water Company.

On October 3, 2024, the State of Delaware Office of the Secretary of State notified the company that the certificate of formation of National water Utility Service , LLC (“NWUS”) was filed. NWUS is a service company for SJW Group, San Jose Water Company’s parent company, formed for the purposes of shared service among the SJW Group affiliates. SJW Group is the sole member of the LLC and the current managers are Bruce Hawk, Kristen Johnson and Andrew Walters. It currently has no officers or employees.

As a result of the formation, NWUS becomes a new affiliate of San Jose Water Company, as that term is defined by Decision 11-10-034, Rule VIII.D.

The new relationship National Water Utility Service, LLC, with SJW Group and its affiliates, including San Jose Water Company are illustrated in the accompanying chart.
