**GENERAL METERED SERVICE WITH
AUTOMATIC FIRE SPRINKLER SYSTEM**

(Continued)

SPECIAL CONDITIONS

1. Any service to a residential customer who requires a larger meter because of fire flow requirement to a fire sprinkler system will be billed (i) a meter service charge, for the appropriate meter size determined based on the normal water use of the customer excluding the fire flow requirement; and (ii) an upsize charge, determined by the different between the actual Meter size required including the fire flow requirement and the appropriate meter size required without the fire flow requirement; and (iii) the quantity rate based on the quantity of water used.

2. For the purpose of fire protection under this schedule, the utility will supply only such water at such pressure as may be available from time to time as a result of its operation of the system. Section 774 of the Public Utilities Code limits the liability of the utility resulting from a claim regarding the provision or maintenance of an adequate water supply, water pressure, equipment or other fire protection facility or service. Acceptance of service under this tariff is acknowledgment of notice of the provisions of Section 774 of the Public Utilities Code.

3. All bills are subject to the reimbursement fee set forth on Schedule No. UF.

4. To fund the Customer Assistance Program (CAP) for residential low-income households, a surcharge of \$2.61 per month will be added to the bill. (I)

SPECIAL CONDITIONS

- 1. Customers who receive water deliveries for agricultural purpose under this schedule, and who present evidence to the utility that such deliveries qualify for the lower pump tax rates levied by the Santa Clara Valley Water District for agricultural water, shall receive a credit of \$5.0257 per 100 cubic feet on each water bill for the quantities of water used during the period covered by that bill. (L)
- 2. All bills are subject to the reimbursement fee set forth on Schedule No. UF. (L)
- 3. To fund the Customer Assistance Program (CAP) for residential low-income households, a surcharge of \$2.61 per month will be added to the bill. (I)
- 4. It is the Company's intent to provide service to all its customers to the full extent of its capacity to serve, except that in the event that there is a substantial risk to the Company's ability to maintain service to customers in the Mountain District, the Company, at its sole discretion, may temporarily interrupt or reduce service to such customers.

Such interruption or reduction of service may occur when (1) customer consumption, or (2) significant electrical, mechanical or supply issues challenge the Company's ability to meet demand for service. Should service be interrupted, the Company shall give timely priority to remedies that are within its control to alleviate the need for the interruption of service.

The Company will inform customers of planned improvements to its facilities serving the Mountain District through its annual system status report to Redwood Estates Service Association.

When service is interrupted, the Company agrees to promptly notify the interrupted customer's designated representative (one per mutual water company). Such notification shall be provided by telephone or by a reasonable alternative method specified by the customer and acceptable to the Company. It is the customer's responsibility to provide the Company, in writing, the name and contact information for its designated representative, to update that information, in writing when appropriate, and to ensure that any designated representative shall maintain an active answering system and e-mail address capable of receiving and recording service interruption information.

- 5. Each of the Mutual Water Companies served by San Jose Water Company in the Mountain District shall be charged one Service Charge, based on the Mutual's meter size. San Jose Water Company shall provide each of the Mutual Water Companies one single quantity rate usage allocation per customer individually served by the Mutual Water Company, as described under Quantity rate per Ccf. above. Thus, each Mutual Water Company will be charged at the Single Quantity Rate for usage times the number of customers the Mutual Water Company individually serves.

RAW WATER METERED SERVICE

(Continued)

SPECIAL CONDITIONS

1. The customer is responsible for notice of and compliance with all local, state, and federal rules and regulations that apply from time to time to the use of raw water, as defined in San Jose Water Company's Rule 1. (L)
2. The customer must provide and/or contribute all facilities needed to transport the water from its source to the customer's point of service in accordance with the utility's Rule 15. (L)
3. The utility will supply at the point of connection only such raw water at such pressure as may be available from time to time from the Santa Clara Valley Water District. The customer shall indemnify the utility and save it harmless from any and all claims arising out of service under this schedule, and shall further agree to make no claims against the utility for any loss, damage or injury resulting from service under this schedule. (L)
4. As a condition for service under this schedule, all customers are required to comply with all San Jose Water Company's tariffs, except for those identified in the Commission's General Order 103 regarding supply of water not intended or claimed to be potable.
5. Customers who receive water deliveries for agricultural purposes under this schedule, and who present evidence to the utility that such deliveries qualify for the lower pump tax rates levied by the Santa Clara Valley Water District for agricultural water, shall receive a refund of \$5.0257 per 100 cubic feet for the quantities of water used on the effective date of this advice letter. In accordance with Santa Clara Valley Water District procedures customers will be refunded every six months.
6. All bills are subject to the reimbursement fee set forth in Schedule No. UF.
7. The billing period service charges and all applicable flat rate charges and credit will be calculated using the Uniform Formula:

RECYCLE WATER METERED SERVICE

APPLICABILITY

Applicable to all recycled water metered service.

TERRITORY

Portions of Cupertino, San Jose, and Santa Clara, and in Campbell, Los Gatos, Monte Sereno, and Saratoga and in contiguous territory in the County of Santa Clara.

RATE

Quantity Rate:

Currently effective quantity rate as reflected in "Schedule No. 1, General Metered Service" less the treated water surcharge currently added to potable deliveries from the Santa Clara Valley Water District and less any applicable discount from the South Bay Water Recycling Program.

Service Charges:

Currently effective monthly service charge for the applicable meter size as reflected in "Schedule No. 1, General Metered Service".

SPECIAL CONDITIONS

- For the purpose of this tariff a well user is defined as a customer of the Santa Clara Valley Water District who procures his/her non-potable supply from an on-site well as of the first effective date of this tariff. This service charge for well users will be in accordance with the following schedule:

Service Charges

<u>Meter Size</u>	<u>Per Meter Per Month</u>	
2-inch meter	\$47.27	(l)
3-inch meter	\$63.04	
4-inch meter	\$70.91	
6-inch meter	\$118.43	
8-inch meter	\$141.85	
10-inch meter	\$220.66	(l)

The monthly service charge will be changed in an amount equal to changes in the monthly service charge for similarly sized meters under "Schedule No. 1, General Metered Service". In addition to the service charge, such customers will be charged for the quantity of recycled water used at that site in the same amount billed to San Jose Water Company by the South Bay Water Recycling Program.

RECYCLE WATER METERED SERVICE

(Continued)

SPECIAL CONDITIONS

- 2. The City of San Jose is responsible for determination of customer eligibility for the South Bay Water Recycling Program.
- 3. The customer is responsible for notice of and compliance with all Customer Service Rules for use of recycled water as provided by the City of San Jose in addition to all local, state, and federal rules and regulations that apply from time to time to the use of recycled water, as defined in San Jose Company's Rule 1.
- 4. The utility will supply at the point of connection only such recycled water at such pressure as may be available from time to time from the San Jose/Santa Clara Water Pollution Control Plant. The customer agrees to make no claims against the utility for loss, damage or injury caused by service interruptions.
- 5. The customer shall deferred and indemnify the utility and save it harmless from any and all claims arising out of service and water use under this schedule and shall further agree to make no claims against the utility for any loss, damage or injury resulting from service and water use under this schedule.
- 6. As a condition for service under this schedule, all customers are required to comply with all of San Jose Water Company's tariff, except for those specically excluded by Appendix A of the Commission's General Order 103 regarding supply of water not intended or claimed to be potable.
- 7. All bills are subject to the reimbursement fee set forth on Schedule No. UF.

- 8. The billing period service charges and all applicable flat rate charges and credit bill be calculated unusing the Uniform F (D)
(T)

$$\left(\frac{\text{Number of Billing Days at Effective Service Charge}}{30.4375} \right) \times (\text{Effective Service Charge}) = \text{Billed Service Charge}$$

- 9. To amortize the balance of the 2024 GRC Balancing and Memorandum Accounts, a surcharge of \$0.3668 per Ccf will be added to the quantity rate for the duration of 12 months beginning on January 1, 2025, the effective date of AL613. (D)
